

Attention U.S. Navy and Marine Corps!  
IUID compliance deadlines are fast approaching, and DIETS is the best resource for IUID training.

Speakers from across the different SYSCOMS will provide you valuable information about:

- Clean financial audits
- Labor savings
- Life cycle cost reduction
- Improved readiness
- Accurate inventory tracking
- Warranty enforcement
- Configuration control

DIETS 4 will provide the know-how needed to integrate best practices for IUID implementation and ensure that throughout the process, you are “Making Every Dollar Count”!
